

Dear *[INSERT NAME]*:

I *[work/volunteer/INSERT ROLE]* at Harrison Hotel and we're looking to partner with Bay Area organizations to provide educational resources and healthy activities for our residents.

We previously worked with local partners to provide yoga, art therapy, and acupuncture for our residents. We'd love to include more activities around health and wellbeing, host field trips around the Bay Area, and create educational opportunities for residents to interact with the community.

Please let us know if your organization would be interested in getting involved and we look forward to hearing from you!

Kind regards,
